After annihilating the Waialea football team 13 to 7 and the Waialua's 19 to 0 the Kahuku lads donned shoes for the first time against the High School team and took a drubbing by a score of 6 to 0.

No alibi, but the shoes were a little strange to the potential barefoot champs. The Kahuku High School boys played their best game of the season. They outplayed the Kahukuans in every department, judging from the precision like maneuvers and plays, also the large holes bored by their linesmen.

CHARLES KINGSLEY SAYS:

Thank God every morning when we get up that we have something to do which must be done, whether we like it or not. Being forced to work, and forced to do our best, will breed in us temperance, self-control, diligence, strength of will, content, and a hundred other virtues which the idle never know.

THE WAR IS FAR FROM WON!!

Sugar is Essential and Vital to our armed forces. It is FOOD for CONTINUED ENERGY, and what's more - for AMMUNITION.

Are you doing your share?
